

Software Developer

Brilliant Energy is seeking to fill the key position of Software Developer. We are looking to fill the position as soon as possible. Brilliant Energy provides an exciting business environment and is aggressively developing applications that support our retail Electricity business, both for internal processes and for customer website-based processes. Brilliant Energy was founded in 2007 and is based in Houston.

About the role: Brilliant Energy is looking for a person who is interested in developing their career with us, as we develop our IT team. Successful candidates should enjoy working in a well-managed team environment committed to excellence, and have the enthusiasm and ambition to complete projects to the highest standard. We are looking for individuals with an ambition to succeed!

Skills required: We are looking for energetic and bright people to join our team; ability and commitment is more important than current skill set. Experience is required in software development experience.

Valued Experience:

- Knowledge of full software development lifecycle: from requirements gathering and functional specification authoring, to development, testing and delivery (essential)
- Experience with databases (MySQL) (essential)
- Experience in Computer Science or Information Technology curriculums (desirable)
- Understanding of MVC design patterns and frameworks (desirable)
- Experience with LAMP stack (desirable)
- Experience with CSS, HTML5, JQuery, Responsive Web design (desirable)
- High attention to detail
- Good written and verbal communication
- Enthusiasm and an interest in all things technology

Salary: Commensurate with experience

Additional Information: We are looking to fill this position ASAP so applicants are advised to apply promptly.

How to apply: Interested candidates, please e-mail your Resume (in Word or PDF format), cover letter and salary expectations to Technologyjobs@brilliantenergy.com or fax to 713.789.5455.

No agencies please. Brilliant Energy is an equal opportunity employer.
